# Meritus Squash UK Invitational 2015

The Meritus Squash UK Invitational 2015 is a tournament for teams of 4 squash players from companies who trade in the Asia Pacific region. A proportion of the proceeds from the tournament will go to Cancer Research UK

These weekends will be a great opportunity to network with other large companies who trade in the Asia Pacific region.

The tournament will be given maximum press coverage in the international travel press and there are links with a similar tournament in Singapore.

This will be an ideal opportunity for some fun but competitive squash and a little corporate marketing

Teams of 4 squash players from the same company : one of which must not have played squash for more than 6 months

£150 entry fee per team (£15 donation to Cancer Research UK)
